The Bible – No Ordinary Book

The Bible is no ordinary book. It's not like reading the latest fiction book. The Bible can literally change the direction of your life. In fact, here's how the Bible describes itself:

Hebrews 4:12

For the word of God is full of living power. It is sharper than the sharpest knife, cutting deep into our innermost thoughts and desires. It exposes us for what we really are. NLT

The reason that the Bible is full of power is that it is God's message to us. It's God speaking directly to us. It reveals God's ways and His standards and at the same time shows us honestly how well we measure up.

If you read the Bible with the intent to obey God in your life, it will literally change the very course of your existence. No other book is capable of the transforming power contained in the Bible.

Take a few moments and practically apply this verse to your life.
